The Yamnuska was uniquely designed to fill your home with sunlight from brighter windows, shorter hallways, and a charming open concept main floor. This floorplan is a stunner, with a welcoming foyer leading to the great room with fireplace, a spacious kitchen, and an oversized quartz island that's ideal for entertaining. The kitchen has a large walk-in pantry off the dining area. On the upper floor you'II find the convenient laundry room close to the bedrooms and main bath. Escape to your primary bedroom with a walk-in closet and ensuite. A separate side entrance and 9' foundation have been added to your benefit for any potential future basement development plans. Mattamy includes 8 solar panels on all of our homes! This new construction home is estimated to be completed in December 2025. *Photos and Virtual tour are representative.
