Residential on 0.16 Acres

Marlborough Park, Calgary, Alberta

This is a spacious, fully finished townhome full of potential for the right buyer. A fantastic opportunity for renovators, investors, or first-time buyers ready to put in some work and build equity.

Step into the bright front living room with a stone, wood-burning fireplace, leading into a generous kitchen space. Enjoy the large separate dining area with sliding patio doors that open onto a private, west-facing fenced yard – a great space for relaxing or entertaining.

Upstairs you’ll find an oversized primary suite and two other good sized bedrooms and a full bathroom. The finished basement includes two additional rooms, ready for your finishing touches – ideal for a home office, gym, or extra living space.

The exterior of the complex has been updated with newer windows and siding, giving it a fresh, modern look and added curb appeal. The lovely front yard offers a warm welcome, and best of all – no snow shovelling or lawn mowing required! The complex takes care of exterior maintenance, making ownership easy and convenient.

This is a fixer-upper – it needs new flooring, paint, cabinets, and cosmetic updates throughout – but offers a solid layout and endless potential for those with vision.

One assigned parking stall is conveniently located just outside your back gate.
All of this in a central location close to schools, shopping, restaurants, and the Marlborough C-Train Station, with quick access to downtown and major routes.

If you're looking for a project with upside, this is it. Bring your creativity and make it your own!
